

# Workplace COVID-19 Guidelines

## Wear a Mask

Wear a mask and cover your coughs and sneezes.

## Stay home if...

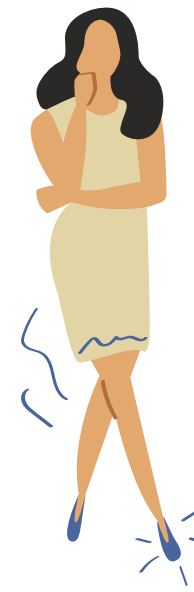

- You are feeling sick.
- You have sick family members at home.

## Wash Hands Regularly

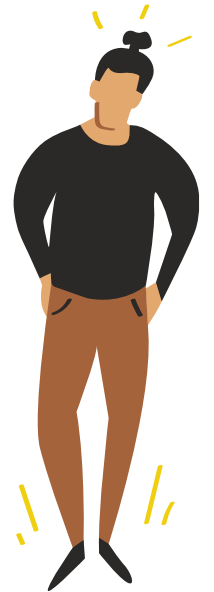

Wash hands for 20 seconds regularly.

## Social Distancing

6 Feet

Maintain social distancing by staying 6 feet apart from others and position workplaces with social distancing guidelines.

## Wave for Greeting

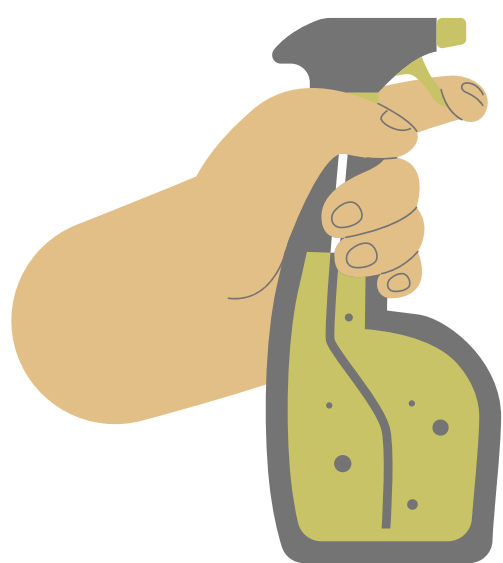

Stop hand shakes and use non-contact greeting methods.

## Limited Occupancy

Limited occupancy based on most recent requirements pursuant to Executive Order or Guam Law.

## Clean High-touch Surfaces

Disinfect frequently contacted surfaces such as doorknobs, tables, keyboards and light switches.

Thank you!
